"DIGITAL FRONTIERS OF GLOBAL SCIENCE"

Data professionals and researchers from all disciplines and across the globe will convene for this landmark event, and together, explore how best to use the data revolution to improve knowledge and benefit society through data driven innovations.

The conference will be officiated by the President of the Republic of Botswana His Excellency, Mokgweetsi Eric Masisi.

Organisations from around the globe are invited to participate in this exciting event and embrace the opportunity to promote their data products, services and innovations to this global data professional community.

The Gaborone Convention Center, the event venue, will provide exhibitors the following:

- A prominent area to display their information
- One large table and two chairs
- Clean-up after the event

The cost to participate as an Exhibitor is P6000 (c.USD 565). Exhibitors should also register for the conference.

Space is Limited.
